Recipe for a happy life

*Take some happiness,
Add a dash of love,
Some patience and a little time,
Then sprinkle over some success
and contentment.
Give the whole thing a good stir,
And serve up a long and happy life.*

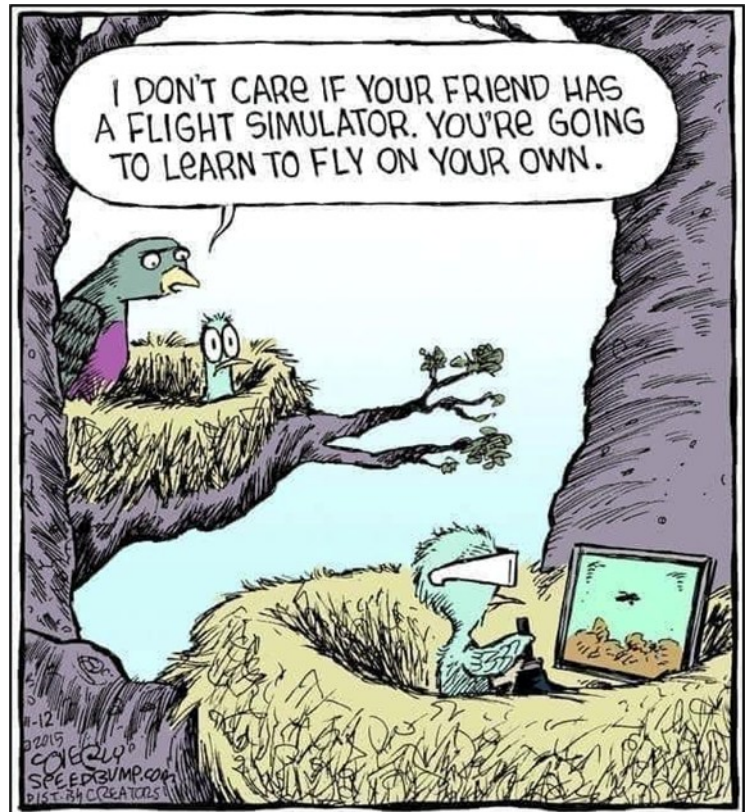

Ian B is telling Laurie T all about it

Creations made by David H on his CNC machine at home
Great examples of what these machines can do

Laurie T about to get productive on the wood lathe

*Old age is like everything else.
To make a success of it,
you've got to start young.*
